

COMMUNITY MEETING PROPOSED CHANGES TO MASSAGE PROFESSIONAL LICENSING

UPCOMING MEETING

Tuesday, March 29, 2016

9:00 a.m. – 10:30 a.m.

Citrus Heights Community Center

6300 Fountain Square Drive

All Interested Parties are Welcome!

The City is currently in the process of updating the licensing regulations for massage professionals in response to recent changes in State law.

The City has a moratorium in place while these regulations are prepared. Once these regulations are approved by the City Council, the City will again be accepting new massage license applications.

Additional Information is available on the City's website at www.citrusheights.net.

HAVE QUESTIONS?

Questions or comments about the proposed regulations are welcomed by phone or email to:

OVERVIEW OF PROPOSED CHANGES TO THE CITY'S REGULATIONS FOR MASSAGE BUSINESSES

Tell Us What You Think

- All new massage professionals will be required to hold a certification from California Massage Therapy Council (CAMTC).
- Certified massage professionals must appear in person to register place of work and provide copy of certification (no fee required) prior to commencing work in Citrus Heights.
- All massage establishments shall obtain a business license. Owners/managers not CAMTC certified require a special license that includes a Dept. of Justice background check.
- Massage establishments and therapists in good standing with the City and holding a valid license for five years or more will be granted exemption from the updated requirements.
- Massage professionals holding proper City licensing will have one license renewal period to obtain CAMTC certification.
- Locations closed due to City action may not reopen as a massage business for a period of five years.
