

IN MEMORY OF BUD SCRIVNER

ANIMAL SERVICES DONATION

It is with sadness that we report the passing of longtime volunteer, Bud Scrivner, who worked at CHPD since inception in 2006. Prior to CHPD's launch, he volunteered at the Sacramento Sheriff's Department substation here as well. Bud worked with records at the front counter and truly considered CHPD his family. His daughter Julie, who lives on the east coast, often called in to check on Bud and was very appreciative of everything we did for her dad. Bud was 88 years old and passed peacefully in his sleep early this morning.

Julie advised that there will be no services, but has a favor to ask. As many may know, Bud loved animals. His daughter Julie requested that in lieu of a service or flowers, we donate to the Citrus Heights Animal Services to help the animals in our community who need care. For the next two weeks Mary Poole and I will collect donations on Bud's behalf and provide it to animal services. We will send his daughter a thank you letter advising of the collection amount. She is very appreciative of this and knows that it will warm Bud's heart as well. We will all miss you Bud!
