Ashley "Ash" Feeney

## **WHAT IS SOAR?**

SOAR is an association of residents, apartment communities, businesses, churches and schools. If you live or own property or a business within our boundaries, you are automatically a member of SOAR. Our boundaries are Sylvan Road (east), Old Auburn Road (north), Sunrise Blvd. (east) and Greenback Lane (south). We are one of the eleven neighborhoods formed in 1998 after Citrus Heights attained cityhood.

We unite to improve the quality of life in our neighborhood and our community. United, we create a strong voice in government as we interact with agencies that provide services to our members. We act as a conduit for information between our members and the city. In 1999, we became a California non-profit corporation to better serve the needs of our community.

**For more information about this meeting or future ones, call, text or email SOAR President :**

**Dr. Jayna Karpinski-Costa**
